

EDGE™ Series

Single-Item Dispensing

Powered by Apex Connect n' Go™ Technology

Provides user-level access control
and individual item dispensing

Adjustable Shelf Height and Tray Configurations

Adapts to a wide range of item sizes
and shapes

Patented Verified-Vend™ Technology

Senses and confirms each vend
transaction

Broad Range of Dispense Accessories

Reduces the need for repackaging

Supports a Wide Range of User ID

Choose from barcode, magnetic stripe,
proximity card or keypad entry

Padded Delivery Bay

Safely dispenses highly sensitive
or fragile items

Heavy-Duty Construction

Engineered for harsh industrial
environments

- **Outstanding inventory control**

Choose from three EDGE™ models for single-item dispensing of parts and
supplies, including fragile items.

- **Flexible configurations**

Move tray dividers, change tray heights, interchange helixes, add spacers, risers
and adapters to make the EDGE Series even more versatile.

- **Faultless transactions**

Dispense up to 60 SKUs with limited repackaging needed.

Our exclusive **Versatile Dispensing Modules (VDM)**
provide single-item dispensing of batteries, aerosol
cans and other hard-to-vend items.

**Apex Cloud™: The Smarts Behind the EDGE™ Series**

Our Apex Cloud™ platform makes these smart devices absolutely brilliant. You'll know who used what, when and where, 24/7. You can also automate replenishment, and set up alerts and notifications to put an end to stock-outs.

**Apex Connect n' Go™ Technology Makes It Easy to Implement**

All Apex devices are easy-to-use Internet appliances (MS Windows-free). They're powered by our Connect n' Go™ Technology, so you simply plug the device into a power supply, connect to the Internet and you're ready to go.

Easy to Use. Easy to Implement. Easy to Afford.

Technology That **Counts™**
